

Data Value Chain in Science & Territories

14 & 15 March 2019

Extended abstract submission

Conftool instructions

The *Data value chain in science and territories international conference* uses the online application ConfTool Pro for the contribution submission and registration.

To submit a paper, it is first necessary to create an account:

1. Go to <https://www.conftool.org/data-value-chain-2019/>
(Image of what should appear on your screen)

The screenshot shows the ConfTool Conference Administration interface. At the top, there is a blue header with the text "Paris - Val d'Europe". Below this, a navigation bar contains a "Register New" button on the left and "Conference Time: 18/Jul/2018 9:28:23 am CEST" on the right. The main heading is "Data Value Chain in Science & Territories" followed by "14 & 15 March 2019". Below the heading is a section titled "ConfTool Conference Administration" with the following text: "Log in to your account to **submit a contribution**, enter or view reviews and access the results of the reviewing process. If you have not yet created a user account, please do so now." There are two main buttons: "Account Login" and "Create account and submit contribution". Under "Account Login", there is a "Registered users" section with input fields for "User name:" and "Password:". To the right of these fields are links for "Forgotten your user name?" and "Forgotten your password?". A "Login" button is positioned below the input fields. At the bottom of the page, there is a footer with contact information and copyright details.
